# THERMOSTATS

CTP thermostats are manufactured with the heavy duty engine applications in mind to ensure proper performance and durability individual to each application.

Some of the features found on our thermostats are:

- ✓ Stainless steel sleeve withstands corrosion
- ✓ Sleeve and valve are lapped to offer low leakage
- ✓ Individual calibration and wax actuators allow for a superior response time

Application	Part No.
3114, 3116, 3126, 3208	1028392
3304, 3306	1118010
G3306	1167577
3116	1193075
3046	1244835
3114, 3116	1265869
3512, G3512, G3516	2046708
3056	2169737
3512C, 3516C	2193240
3054, 3054C	2202748
3044C, C3.4	2354960
3306, G3612, C12, C15	2477133
3176C, 3408, C27	2485513
C1.5, C2.2, 3034	2495541
3054C, C6.6	2542267

Application	Part No.
3116, 3126, 3208, C9	2845421
1673	2S4044
3204	3062103
3176C, 3408, C27	4184163
3608, C27, C32	4W4011
3054, 3056	4W8063
3066	5I8010
C18, C32	6I4955
D353	6N4540
3116, 3208	9N5121
3116, 3208	9N6341
44H, D4D	9S3808
